Please support the GB Heat 12U Travel team with their fundraising efforts while you clean out your closet!

As the warmer weather arrives (and hopefully stays!) and you are switching out your closets, please set aside any donations to help our 12U Travel team with their fundraising efforts. In August of 2016, the Green Brook Heat will depart on a journey to Cooperstown, New York to participate in the annual Cooperstown Dreams Park Tournament –For a week, more than eighty 12U baseball teams from across the United States will land in Cooperstown for a slice of baseball heaven. Each participant will be inducted into the American Youth Baseball Hall of Fame. Your donation will help cover the costs for tournament fees, training facilities, equipment, uniforms, etc. All of your donations are sent across the U.S. and overseas where there is a need for recycled clothing and household items.

Donations can include the following:

- Used clothing and shoes
- Accessories, including handbags, belts, backpacks, hats, gloves, ties, etc
- Household items such as blankets, sheets and tablecloths
- Toys, including stuffed animals and hard toys

No VCRs, CDs or books, please.

Thanks for your support!
