Grants and Debt Service

Grants

- \$370,733, down from \$665,996 FY24
- This essentially pushed a net of \$300,000 into our FY25 budget
- Big ticket items include Rutgers clinician (\$70,000) and RBT (\$50,000), SEW programs and SE licenses (\$70,000), summer and tutoring salaries (\$20,000)

Debt Service

- \$1,463,000 appropriations supported by \$1,399,562 levy (separate from general fun) and \$63,438 fund balance (from debt refinancing)

Fund Balance and Reserves

- At the end of each FY, districts may retain up to 2% of their general fund budget as undesignated fund balance
 - This “surplus” is the difference between received revenues and expenses
 - Due to breakage we are projecting a healthy surplus (\$2M) in FY24
 - Vacancies, leaves, good luck with OOD placements
 - Not anticipated to repeat in FY25
- Of that, \$1,000,000 is needed to fund tuition reserve, \$350,000 for future year budgets (FY26), and \$129,000 to refill the maintenance reserve, for a total commitment of \$1,479,000
- \$300,000 is being committed to the FY25 budget (along with \$300,000 from prior year’s surplus)
- The remaining \$221,000 may be used for capital reserve or emergent expenses in the last quarter of the FY
